Appreciation to Reviewers

Book Reviews

Adolescent substance abuse: An empirical-based group preventive health paradigm. Winter, p. 108.
A case for case studies: An immigrant journal. Spring, pp. 254-256.
The cross-cultural practice of clinical case management in mental health. Summer, pp. 362-363.
The effectiveness of social interventions for homeless substance abusers. Summer, p. 363.
Evaluating treatment environments: The quality of psychiatric and substance abuse programs. Fall, pp. 476-476.
Keeping up the good work: A practitioner's guide to mental health ethics. Spring, p. 251.
Maneuvering the maze of managed care: Skills for mental health practitioners. Spring, p. 253.
Mental health in Black America. Summer, pp. 361-362.
Psychiatric care in the nursing home. Spring, p. 252.
What works in children's mental health services? Uncovering answers to critical questions. Summer, pp. 359-361.

Brief Reports

The appropriate role for the state hospital. Winter, pp. 64-71.
Children's mental health in a continuum of care: Clinical outcomes at 18 months for the Fort Bragg demonstration. Fall, pp. 465-471.
The market for residential and day schools for children with severe emotional disturbance. Winter, pp. 72-81.
Physical illness among all discharged psychiatric inpatients in a national case register. Winter, pp. 82-89.
Program environments of self-help agencies for persons with mental disabilities. Fall, pp. 456-464.
Residency training in Massachusetts: A new approach to state-university collaboration. Winter, pp. 103-107.
Sedative-hypnotic use by the elderly: Effects on hospital length of stay and costs. Winter, pp. 90-97.
Services for clients of community support programs in rural Wisconsin. Winter, pp. 55-63.
Use of psychiatric services by homeless veterans. Winter, pp. 98-102.

Children/Adolescents/Youth

Children's mental health in a continuum of care: Clinical outcomes at 18 months for the Fort Bragg demonstration. Fall, pp. 465-471.
Evaluating performance and change in mental health systems serving children and youth: An interorganizational network approach. Winter, pp. 4-22.
The market for residential and day schools for children with severe emotional disturbance. Winter, pp. 72-81.
I. Risk of juvenile justice referral among children in a public mental health system. Fall, pp. 428-442. II. Risk factors for juvenile justice system referral among children in a public mental health system. Fall, pp. 443-455.
State health care reforms: How they affect children and adolescents with emotional disorders and their families. Fall, pp. 386-399.
The transition to adulthood for youth who have serious emotional disturbance. Developmental transition and young adult outcomes. Fall, pp. 400-427.

Use of the child and adolescent functional assessment scale to predict service utilization and cost. Summer, pp. 278-290.

Commentary

Ethical problems in psychiatric research. Spring, pp. 227-250.

Costs

An economic and clinical rationale for changing utilization review practices for outpatient psychotherapy. Summer, pp. 340-349.
Housing costs for adults who are mentally ill and formerly homeless. Summer, pp. 291-305.
Mental health costs, other public costs, and family burden among mental health clients in capitated integrated service agencies. Spring, pp. 178-188.
Sedative-hypnotic use by the elderly: Effects on hospital length of stay and costs. Winter, pp. 90-97.
Use of the child and adolescent functional assessment scale to predict service utilization and cost. Summer, pp. 278-290.

Ethics

The ethical challenges of a randomized controlled trial of involuntary outpatient commitment. Winter, pp. 35-43.
Ethical problems in psychiatric research. Spring, pp. 227-250.
New ethical challenges to mental health services research in the era of community-based care. Spring, pp. 139-151.

Homelessness

Housing costs for adults who are mentally ill and formerly homeless. Summer, pp. 291-305.
Use of psychiatric services by homeless veterans. Winter, pp. 98-102.

Information for Authors

Juvenile Justice

I. Risk of juvenile justice referral among children in a public mental health system. Fall, pp. 428-442.
II. Risk factors for juvenile justice system referral among children in a public mental health system. Fall, pp. 443-455.

Legal

The ethical challenges of a randomized controlled trial of involuntary outpatient commitment. Winter, pp. 35-43.
The legislative structuring of insanity acquittee policies. Spring, pp. 166-177.
A new look at an old issue: People with mental illness and the law enforcement system. Spring, pp. 152-165.
State health care reforms: How they affect children and adolescents with emotional disorders and their families. Fall, pp. 386-399.

Managed Care

A global measure of access to mental health services for a managed care environment. Summer, pp. 268-277.
Mental health costs, other public costs, and family burden among mental health clients in capitated integrated service agencies. Spring, pp. 178-188.
Treatment participation and outcome among problem drinkers in a managed care alcohol outpatient treatment program. Winter, pp. 23-34.

Mental Health Services

Conceptualizing services research on outpatient commitment. Summer, pp. 306-315.

The ethical challenges of a randomized controlled trial of involuntary outpatient commitment. Winter, pp. 35-43.

Evaluating performance and change in mental health systems serving children and youth: An interorganizational network approach. Winter, pp. 4-22.

A global measure of access to mental health services for a managed care environment. Summer, pp. 268-277.

Institutional factors of nursing homes that predict the provision of mental health services. Winter, pp. 44-54.

Mental health costs, other public costs, and family burden among mental health clients in capitated integrated service agencies. Spring, pp. 178-188.

New ethical challenges to mental health services research in the era of community-based care. Spring, pp.139-151.

Services for clients of community support programs in rural Wisconsin. Winter, pp. 55-63.

Mental Illness

Assessing parenting competency in individuals with severe mental illness: A comprehensive service. Spring, pp. 189-199.

Housing costs for adults who are mentally ill and formerly homeless. Summer, pp. 291-305.

A new look at an old issue: People with mental illness and the law enforcement system. Spring, pp. 152-165.

Physical illness among all discharged psychiatric inpatients in a national case register. Winter, pp. 82-89.

Program environments of self-help agencies for persons with mental disabilities. Fall, pp. 456-464.

Outcomes

Immediate outcomes of substance use treatment within a state psychiatric hospital. Spring, pp. 126-138.

The market for residential and day schools for children with severe emotional disturbance. Winter, pp. 72-81.

Measuring treatment outcome for adults and adolescents: Reliability and validity of BASIS-32. Summer, pp. 316-331.

The relationship of patient-administered outcome assessments to quality of life and physician ratings: Validity of the BASIS-32. Spring, pp. 200-214.

The transition to adulthood for youth who have serious emotional disturbance: Developmental transition and young adult outcomes. Fall, pp. 400-427.

State Hospital

The appropriate role for the state hospital. Winter, pp. 64-71.

Developing clinical work processes in a state psychiatric hospital: A case study. Spring, pp. 215-226.

Immediate outcomes of substance use treatment within a state psychiatric hospital. Spring, pp. 126-138.

Residency training in Massachusetts: A new approach to state-university collaboration. Winter, pp. 103-107.

Substance Abuse

An exploratory study of male recovering substance abusers living in a self-help, self-governed setting. Summer, pp. 332-339.

Immediate outcomes of substance use treatment within a state psychiatric hospital. Spring, pp. 126-138.
Policy-relevant program evaluation in a national substance abuse treatment system. Fall, pp. 373-385.
Treatment participation and outcome among problem drinkers in a managed care alcohol outpatient treatment program. Winter, pp. 23-34.

VA

Suicide risk factors among veterans: Risk management in the changing culture of the Department of Veterans Affairs. Summer, pp. 350-358.
Use of psychiatric services by homeless veterans. Winter, pp. 98-102.
